

During the holiday season, each classroom at James L Dennis Elementary adopts a child in need through the Putnam City Schools *CareShare* program. We hope that you can help us in our efforts to provide simple gifts and needed items to children in our community who need it most. This simple way of sharing provides so much joy to children who may otherwise not have anything to unwrap on Christmas morning.

From **November 18th -thru- December 4th** there will be a CareShare bin outside the classroom where donations can be turned-in. Below is information about the child our classroom has adopted. We aim to collect a combination of clothing, toys, and/or personal items.

*Please only send new and unwrapped items.

Want to help, but don't have time to shop? You can donate money to the cause and PTO will go shopping for any items still needed at the end of the collection process. Donate online via the Membership Toolkit App -or- visit the *CareShare* tab on our website at www.jldpto.com. Send cash or checks (made out to "JLD PTO") back to school in an envelope marked "CareShare".

Mrs. Searl's Class is adopting:
