Dear Families,

***Putnam City Schools is transitioning to distance learning for all schools (elementary, middle and high schools) for Thursday, January 13, 2022 and Friday, January 14, 2022.***

As communicated yesterday, because of the continuing spike in COVID cases, we currently have a significant number of staff who are sick, quarantining or in isolation for the remainder of the week. This coupled with the shortage of substitute teachers has stretched our ability to provide adequate and safe coverage for all schools in our District. ***This is unfortunately causing us to expand distance learning to all Putnam City Schools for the remainder of this week.***

Monday, January 17, 2022, is Martin Luther King, Jr. Day and there is already no school. We are planning on returning all our buildings to in-person school Tuesday, January 18, 2022.

The school plans to proceed with school activities to the extent they can safely be staffed.

***It is important that our students understand that school is still in session.*** Please make sure your students log in to Seesaw, Google Classroom or complete their assigned activities each day. Completing this work will determine attendance for each day. Teachers are adjusting for distance learning and will be pushing out lessons.

We will continue to provide meals free of charge to all students. Grab and go meal services will be available from 11:00 am to 1:00 pm at the school.

We appreciate your cooperation and will send further updates if anything changes. Thank you for your patience and understanding.

Putnam City Schools Administration
