

BOND GOAL: The 2020 Bond provides funds to meet the daily needs to educate, protect, and enrich Putnam City students. Proposed projects range from safety to accessibility to education to the arts to athletics. Every aspect of a Putnam City student's education is impacted by this bond beginning with the foundations of education.

PROJECTS & HIGHLIGHTS:

- * Every school would receive prioritized improvements with this bond
- * Continue our focus to increase storm safety needs of schools
- * Increase school security
- * Provide digital and traditional textbooks to students
- * Fulfill needs for renovations and modernizations of outdated buildings, daily equipment, and furniture
- * Addition of classrooms to address our rising enrollment
- * Laptops for teachers
- * Continue district wide effort to renovate restrooms
- * Continue district wide effort to replace deteriorating furniture
- * Creates and completes multiple district athletic projects
- * Purchase band and athletic uniforms
- * Repair structural damage to buildings, parking lots, and sidewalks
- * Addition of a performing arts center to The Centennial Center
- * Provide needed buses and transportation safety equipment
