Dear Putnam City Family,

This message is to make you aware that effective Monday, February 28<sup>th</sup>, Putnam City Schools is making a change to our mask policy. Starting Monday, masks will be RECOMMENDED in all Putnam City buildings. This change is based on our local COVID case data and consultation with the Oklahoma City-County Health Department. We also continue to monitor the latest information from numerous other local, state and national health organizations to help guide our decision-making process.

It remains extremely important that all PC Families and Staff continue to monitor for symptoms and stay home when feeling sick. Our case numbers have continued to come down considerably in the past few days and weeks, so let's please stay vigilant.

The District Administration Team will continue to monitor the COVID situation and make any adjustments to our plan as necessary.

Thank you.

Dr. Fred Rhodes

Superintendent
