

James L. Dennis

Return to Campus

Key Safety Protocols

Building

- All Students, staff, and visitors will be asked to wear masks.
- Our A/B schedule will allow for small class sizes and allow for social distancing in all areas.

Classrooms

- Classrooms will be sanitized frequently.
- Hand sanitizer is available in all classrooms.
- Students will use individual supplies when possible. Shared materials will be sanitized between groups.
- Specials classes have time between each class to sanitize their classrooms.

Lunch and Recess

- Students will wash/ sanitize their hands before and after lunch and recess.
- Students will sit only with their class, and with empty seats between each student.
- Students will play with their own class at recess. The playground is divided into zones to avoid cross-contamination.

Arrival and Dismissal

- Students will enter the building at 8:00. They will take a grab-and-go breakfast directly to their classroom.
- Classes will be staggered at dismissal to avoid crowding in the hallways.
- Car riders will remain in their classroom until their number is shown.
- Each dismissal area is designed to maintain social distancing.

These are just a few things we are doing to keep our Dennis families safe. You can help by taking your child's temperature before school daily and by keeping them at home if they do not feel well.
